EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be

5 submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Victor Castellucci on 31 March 2005 and 1 April 2005.

The application has been amended as follows:

Claim 14, line 2, "an apparatus" should be changed to --said apparatus--.

10 Claim 15, line 2, "an apparatus" should be changed to --said apparatus--.

Claim 16, line 2, "an apparatus" should be changed to --said apparatus--.

The following is an examiner's statement of reasons for allowance: Claims 1-28 are allowable because the prior art of record, in combination with the other claim limitations, fails to teach "overwriting said source" information in the header of a packet with "message data" from the same packet. After the source information has been overwritten, forwarding the packet to its intended recipients.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
